

# **RESUME**

## **MD SARFARAZ ALAM**

Portfolio Website - <https://sarfarazalamgit.github.io/portfolio/>

Email ID - sarfarazalam@tutamail.com

### **Career Objective**

I am a passionate and motivated individual eager to dive into the world of data analysis. With a keen analytical mindset and a love for problem-solving, I'm excited to explore how data can drive informed decision-making. I thrive in collaborative settings, where I can contribute fresh ideas and transform complex data into actionable insights.

### **Professional Skills**

- PowerBI
- MS Excel
- Pandas
- SQL

### **Projects**

#### **Survey PowerBI Project**

This is a Power BI data professional survey breakdown project featuring an engaging dashboard report. It aims to provide insights into how various factors, such as career transitions, salary ranges, and job satisfaction, influence the career dynamics of data professionals.

**View on GitHub** - <https://github.com/sarfarazalamgit/survey-powerbi-project>

#### **Excel Data Analysis Project**

This project utilizes a bike buyer's dataset to create interactive pivot tables and visual dashboards, encompassing data pre-processing, cleaning, and visualization.
